

# ASC EUREKA M5

Compact, 100%  
hydraulically  
controlled - high  
dump sweeper

Hydraulically driven traction, container lift, brushes and vacuum fan, enable the Eureka M5 to clean the dirtiest floors very rapidly, and keep routine maintenance very simple thus reducing downtime.

The compactness of this sweeper, with its small turning radius (1.600 mm) makes it particularly suitable for sweeping in narrow, confined areas not accessible by larger machines, yet at a speed and productivity of much bigger sweepers.

The multi-level-dump hopper, equipped with a hydraulic actuated litter gate, is located in the rear of the machine and can be hydraulically raised up to 1350 mm from the floor.

The price of the Eureka M5 will enable users with a small budget to acquire the efficiency of a larger high-dump sweeper at a price they can justify and afford.

The Eureka M5 is particularly suitable for the heavy duty cleaning of large outdoor surfaces. It may also be suitable for a number of large indoor applications and for the sweeping of large carpeted areas.

THE ASC **EUREKA M5** HAS A MAIN BRUSH WIDTH OF 800 MM, A TOTAL SWEEPING PATH OF 1400 MM AND A CLEANING CAPACITY, AT FULL SPEED, OF 11.900 SQ/M/H.

### MODEL

### Electric

### Diesel

#### TECHNICAL SPECIFICATIONS

Sweeping path with side brushes	1.400 mm	1.400 mm
Sweeping path only main brush	800 mm	800 mm
Capacity of dirt container	150 Kg	150 Kg
Dumping height, hydraulic lift	1.360 mm	1.360 mm
Forward speed	8,00 km/h	9,00 km/h
Cleaning capacity	11.200 sq/m/h	12.600 sq/m/h
Filter type	polyester bag	polyester bag
Drive	electronic assisted	hydraulic
Drive motor	24V - 900W	hydraulic
Main motor	1 x 24V - 2.000W	Kubota 14 Hp
Battery system	1 x 24V	-
Weight with battery	920 kg	785 kg
Size with brushes	1.400 x 1.695 x 1.480 h	1.400 x 1.695 x 1.480 h

#### VALUE ADDED OPTIONS

- > Complete head/tail lights package
- > Audio/visual back-up alarms
- > Overhead guard
- > PVC windscreen
- > Left side brush kit
- > Automatic filter-shaking system
- > Flashing lights (standard in UE countries)
- > Class M filter
