

# ASC EUREKA E50

Superior Quality,  
at an affordable  
price.

The E50 is a professional walk-behind scrubber-dryer, ideal for the thorough cleaning of small to medium size areas.

The E50 has a cleaning width of 50 cm which, combined with a 4.3 km/h speed, boasts an area coverage of up to 2150 m<sup>2</sup>/h. It is available with a 24 V battery system or mains power cord. Additionally, traction can be brush assisted or fully automatic (TRAC versions).

High capacity tanks (solution: 40 L; recovery: 50 L) maximise productivity and scrub time, battery charging is fast, safe and simple with the on-board charger. The E50 is specifically designed to be easy to use, and to enable businesses with limited budgets to acquire the efficiency and reliability of a quality built Eureka cleaning machine at a price that can be justified and affordable.

### The NEW ECO LINE of scrubber-dryers by Eureka

Is made up of 11 models, available in 23 versions, and is ideal for the thorough cleaning and maintenance of small, medium and large size areas. The scrubbers are available either push-type or ride-on, and upon request can be equipped with the new, exclusive ECO system (patented), which breaks water economy and detergent saving barriers, and has won several awards (among them, the Veneto Sviluppo award issued by the University of Padua).

The system has been designed to guarantee impressive labour/water/detergent savings, and boasts a productivity rate 3 times greater than traditional systems.

### FIELDS OF APPLICATION

Restaurants, kitchens, swimming pools, locker rooms, cafes and bars, hospitals, clubs, small factories, supermarkets, drugstores and many more small to medium size areas.

### SUITABLE CLEANING SURFACES

Ceramic tiles, marble, cement, linoleum, porcelain tiles, rubber floors, on any kind of dirt.
