

ASC DULEVO 200

Dust free - Labour saving and unique cleaning

THE DULEVO 200 Heavy duty street & industrial sweeper is unique in the sense that it is designed to work effortlessly in:

- Glass plants & Steel mills
- Aluminium smelters
- Pulp and wood milling plants
- Brick plants & Produce markets
- Road construction projects
- Mining industry but to name a few.

THE ASC'S 200 combined mechanical and vacuum collection system is the only true solution to the most demanding industrial sweeping requirements.

FOR THE DUSTIEST applications where dust suppression is paramount, the ASC Dulevo 200 sweepers can be optioned with a unique Gore Dust Filter* which is PM10 compliant and offers the best dust control system available on the global market. Not only is it dust free, it is also maintenance free with the world's best sweeper filter warranty.

THE DULEVO 200 is a technological gem which offers everything that could possibly be expected from a heavy duty sweeping machine. Whether your requirement is to sweep a mine site, cement yard, foundry, glass factory or streets the ASC Dulevo 200 is guaranteed to meet your expectations year after year. Invest in Quality, invest in a ASC Dulevo 200 sweeper.
