

# ASC DULEVO 850

Easy to drive,  
**reliable**  
and extremely  
effective

The ASC Dulevo 850 features high sweepers capacity, high hourly output and excellent sweeping performance.

The ASC Dulevo 850 has an attractive design and is whisper quiet in operation. It is designed for ease of manoverability an ideal solution for city councils & public utilities to clean areas like; footpaths, Bicycle paths, malls, alley, parking lots, gardens and roadways.

The ASC 850 mini combines compliance with the strictest legislation on exhaust gas emission and is whisper quiet while operating, minimizing any environmental impact.

THE 850 MINI meets sate-of-the-arts stability and safety standards. The engine position (a 4 cylinder Kubota) has been specially designed to guarantee a very low centre of gravity and better balancing of loads. Thanks to its exclusive central articulated joint system, the machine maintains its position even when fully loaded and travelling along steep gradients, thus ensuring extremely high levels of safety and comfort of the operator.

THE STREET sweeper and leaf sucker ASC Dulevo 850 mini combine compliance with the strictest legislation in force on exhaust gas emissions & noise. The absolutely silent engine and sweeping system combine to minimize the environmental blueprint by making noise a thing of the past.

THE STREET SWEEPER AND LEAF SUCKER ASC **DULEVO 850** MINI MEETS  
STATE-OF-THE-ART STABILITY AND SAFETY STANDARDS.
