ASC ME

MANUAL SWEEPER

ASC ME

The ASC ME is a handmade world class Heavy Duty Push sweeper designed to outlast all competitive models on the market. Long term data market collection data suggests that the average ASC Eureka ME model has a lifespan of 15 + years in industrial applications making it a very practical & safe long term investment.

The ASC ME sweeper works well on any hard surfaces. These surfaces include concrete, bitumen, carpet, crushed sand, astro turf as well as steel floors.

The ASC ME is a manual sweeper with a total cleaning path of 730 mm.

It can clean up to 2.190 m²/h and is therefore more than 10 times faster than sweeping with a broom.

The ASC ME combines PRODUCTIVITY and CONVENIENCE, and it can be used to clean any small or medium sized floor area.

ADJUSTABLE HANDLE

The handle can be regulated according to the height of the operator, guaranteeing comfort and efficiency.

ROBUST FRAME

The Picobello's steel frame is sand blasted and treated with an anti-corrosion coating, guaranteeing strength and resistance.

ROBUST HOPPERS

The robust front and rear hoppers are also high capacity.

ADJUSTABLE MAIN BRUSH

The pressure of the main brush can be regulated to achieve optimal sweeping results on any type of floor.

FEATURES

- 100% eco-friendly;
- Simple and versatile;
- Completely silent
- Agile in congested spaces;
- Provides quick, low-cost cleaning;
- Suitable for use on uneven or external surfaces;
- Ideal for cleaning driveways, gardens, apartment buildings, sports facilities.

3 INNOVATION AWARDS

Verona, 2005 "Pulire" winning all categories.

Birmingham, 2013 "Cleaning Show".

Australia, 2013 at the exclusive "INCLEAN".

SIDE BRUSH

Adjustable and impact resistant, the side brush is used to clean along edges and in corners.

ROBUST WHEELS

Large rear wheels provide excellent maneuverability and are mounted on self-lubricating bearings.

VERSIONS

- ASC ME
- ASC MEP (with dust control filter)

APPLICATIONS

Industrial sites, construction sites, schools, offices, gyms, religious buildings, hospitals, public buildings, airports, ports, shopping centres, logistics centres and contract cleaners.

SURFACES

Ceramics, marble, cement, concrete, linoleum, non-slip surfaces, tiles, astro turf.
